Forløbet er led i Dansk Cricket-Forbunds kampagne "Cricket- Alle er med". Forløbet strækker sig typisk over 3 – 4 besøg og giver deltagerne en introduktion til cricketspillet, herunder sportens historie og grundlæggende værdier. Undervisningen sker i samarbejde med trænere fra de lokale cricketklubber og Cricket-forbundet og er tilrettelagt således at lærere og pædagoger undervejs lærer grundøvelserne i cricketspillet, således at de selv er i stand til at bygge videre på spillet efter forløbets ophør.

The course is part of Danish Cricket Associations campaign "Cricket-All is in". The course typically lasting 3 to 4 visits and offers participants an introduction to the game of cricket, including the sport's history and core values. The teaching is done in collaboration with coaches from the local cricket clubs and from the Cricket Association and is designed so that teachers and educators are taught the basics of cricket, so that they are able to continue with the game after the course finishes.
