

## Vejledning i anvendelse af Duckworth-Lewis app til telefoner (smartphones) som skal bruges i sæsonen 2018

Download gratis fra App Store og Google Play. I begge tilfælde skal man søge efter "Duckworth" for at finde app'en

Iphone

Android

Duckworth-Lewis benyttes i:

- Alle landsdækkende rækker til at udregne target score
- T20 serie 1 øst/vest
- T20 finaler

Når man bruger app'en skal man huske at:

- Alle data i appen er slettet (app reset)
- Den rigtige G50 værdi er brugt
- Overs ved kampstart er indtastet korrekt.
- Alle pauser er indtastet korrekt helt ned til bolde.

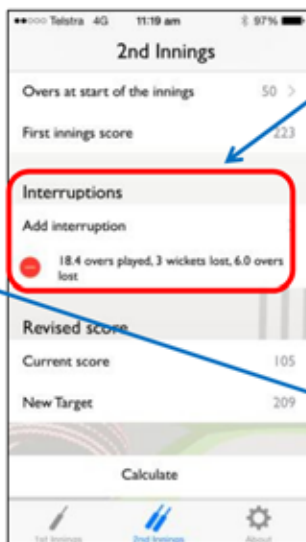

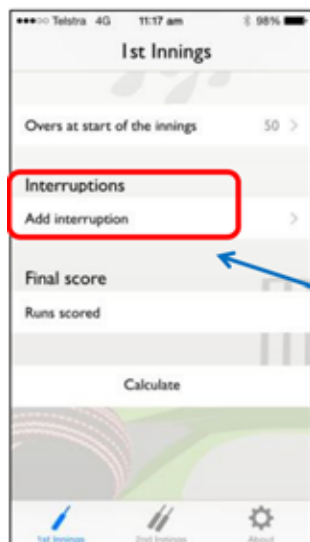

For 50 overs turneringskampe er G50 værdi = 200

For T-20 kampe er G50 værdien = 120

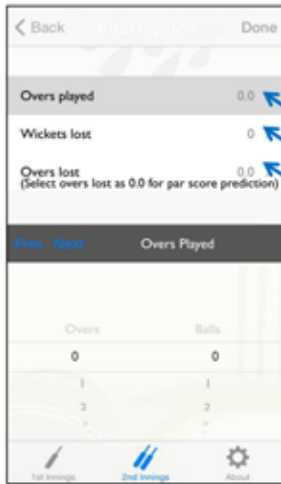

# DUCKWORTH-LEWIS

Enter the appropriate G50 Value for the corresponding Grade & format

Add the innings interruptions by tapping on the 'Add Interruption' Tab. Ensure you add the interruption to the correct innings!

Option fields when entering the interruptions.  
Tap the tab & enter details.

**Overs played**  
**Wickets lost**  
**Overs lost**

Ensure these are entered correctly, as an incorrect entry will give an incorrect target score!

11.11.15 PAF 2nd Innings required and progressive PAF 2nd Innings

Add an innings interruptions at any time.  
Enter current details.

**Overs played**  
**Wickets lost**  
Leave  
**Overs lost = 0.0**

**Current Score**

Calculate to view the current **Par score and table!**
